Registration Policy:

Deadline for registering for upcoming classes to be added to the roster is 2 business days prior to the start date of the class. If registration is received later than 2 business days, it is up to the discretion of the training academy to accept the student registration. Please contact academy directly if this is needed. Once registration on training academy website is completed by the student, the student will receive two emails: one will be confirming the payment of the class and a second email will come directly from the training academy about class dates, general academy information and expectations of the students of the class.
